**IV.2.2.2.** Management activities: Management of science, technology and innovation programs, observation and monitoring of the scientific and technological system or the higher education system, in Portugal or other countries, and also the coordination and participation in scientific projects.

**IV.4.** The assessment of the interview is based on the criteria and parameters defined in IV.2, and is duly justified and graded on a scale of 0 to 20 points (calculated to the hundredths) by the selection committee. Its aim is solely to clarify aspects related to the results of the candidates' research. The interview is open to the public.

**IV.5.** All the candidates complying with the application requirements are subject to the background and CV assessment, which shall be conducted under the criteria and evaluation parameters mentioned above (IV.2 and IV.3). $$FS = (ABC \times 90\%) + (I \times 10\%)$$

**V. Selection Process**

**V.1.** First meeting:

**V.1.1.** The Selection Committee decides, first, on the admission and exclusion of applications. In case of non-fulfilment or partial fulfilment of any of the requirements defined in section III above, the Committee decides whether this insufficiency prevents accepting the application, or if having no relevant impact on the evaluation process, the application may nevertheless be accepted.

**V.1.2.** After deciding on the admission and exclusion of candidates, the Committee begins the procedures relating to the phased application of the selection methods. First, it assesses the scientific background and CV of all the admitted candidates. The merit of the candidates will only be assessed based on their previous experience in the scientific area(s) for which the tender is open, according to the selection criteria and evaluation parameters described in this public notice. The candidates’ merit and experience in other areas shall not therefore be taken into consideration by the Committee. The ranking of the candidates in the ABC method is based on the scores given to each candidate.

**V.1.3.** Candidates both excluded and admitted to the interview shall be notified by Public Notice, under the terms mentioned below in section VI.

**V.2.** Second meeting:

**V.2.1.** The Selection Committee conducts the interview with the admitted candidates, which shall have the maximum duration of one hour, although the Chair of the Committee may decide to extend it further for a period of 30 minutes. The Committee shall only take into account the merit of the candidates based on their experience in the scientific area(s) for which the tender is open. The interview is conducted by the Chair of the Committee, although other committee members may also interact with the candidate. This interview shall be held in Portuguese, unless the candidate or any members of the Committee are not proficient in that language. In this case, it may be conducted in English, upon decision of the Chair.

**V.2.2.** Candidates who fail to attend the interview at the set time and place shall be excluded
from the tender procedure. Similarly, candidates failing to attend a duly scheduled teleconference call shall also be deemed excluded.

**V.2.3.** After conducting and scoring the interviews, the Committee calculates the final score and ranks the candidates approved in both methods by applying the formula defined above in IV.7.

**V.2.4.** On the date established by the tender timetable and according to section VI herein, all the candidates shall be notified regarding the provisional deliberations of the Selection Committee, containing the proposed ranking of the admitted applicants as well as the list of those excluded.

**V.3.** Candidates can, if they so wish, appeal the decision of the Committee, in due respect for their right to a fair hearing, pursuant to Article 121 of the Código do Procedimento Administrativo [CPA - Code of Administrative Proceedings]. The period to submit an appeal begins on the day the public notice with the Selection Committee’s deliberation is published, pursuant to paragraph 8 of Article 113 of the CPA.

**V.4.** Third meeting:

**V.4.1.** If any of the candidates exercises their right to be heard, the Selection Committee shall hold a third meeting in order to analyze the request, and the candidates will be notified of its deliberations, under the terms of section VI herein.

**V.4.2.** If the Selection Committee finds the candidates’ allegations well founded, it shall proceed according to its deliberations, thereby notifying the candidates under the terms of VI.3 herein.

**V.4.3.** If the Selection Committee finds such allegations unfounded, following the candidates’ notification under the terms of VI.3 herein, the procedure shall then be submitted to the Rector for approval.
