

CONTROLO'2010 9TH PORTUGUESE CONFERENCE ON AUTOMATIC CONTROL

COIMBRA, 8-10 SEPTEMBER, 2010 / PÓLO II, FACULDADE
DE CIÊNCIAS E TECNOLOGIA DA UNIVERSIDADE DE COIMBRA
/ WWW.CONTROLO2010.ORG

GENERAL CHAIR J. Norberto Pires,
CEMUC, FCTUC, Portugal
<http://robotics.dem.uc.pt/norberto>
<http://www.coimbraiparque.pt>

VICE-CHAIR Jorge Dias,
ISR, FCTUC, Portugal

LOCAL ORGANIZING COMMITTEE

J. Norberto Pires, Mechanical
Engineering Department, UC;
Germano Veiga, Mechanical
Engineering Department, UC;
Pedro Neto, Mechanical Engineering
Department, UC;

José Basílio Simões, Physics
Department, UC;

Jorge Dias, Electrical Engineering
Department, UC;

Ricardo Araújo, Mechanical
Engineering Department, UC;

Cristóvão Silva, Mechanical
Engineering Department, UC;

SUPPORT, MEDIA COMMUNICATION AND ARRANGEMENTS

SECRETARY Paula Simões, Mechanical
Engineering Department, UC

INVITATION

It's our great pleasure to invite
you to participate in the 9th Portuguese Conference
on Automatic Control – CONTROLO'2010, to be held in Coimbra,
the Portuguese city of knowledge, from 8 to 10 September 2010.

This event is organized in cooperation with APCA, the School of Sciences
and Engineering of the University of Coimbra (FCTUC) and also in close coop-
eration with the Mechanical Engineering Research Center of the University
of Coimbra (CEMUC), which activity in automation and robotics is well known.

INTERNATIONAL FORUM

CONTROLO'2010 conference will provide an excellent opportunity for present-
ing new results and discuss the latest research and developments in the
field of automatic control:

- > Effective exchange of knowledge and experience amongst researchers active
in various theoretical and applied areas of systems and control.
- > Promotion of new technical applications and developments, real-world chal-
lenges and success stories.

Participation of engineers and other scientists from industry is particularly
welcome.

SESSIONS

CONTROLO'2010 will have 3 types of sessions:

- > Plenary lectures, given by leading experts in the field;
- > Regular oral sessions;
- > Poster sessions;
- > Invited Sessions.

CONTROLO'2010 also encourages the submission of Invited Sessions. Authors
that wish to organize an "Invited Session" in CONTROLO'2010 should contact
the organization for more details (info@controlo2010.org). Normal and Invit-
ed Sessions papers will be further screened for possible publication
in International Journals.

IMPORTANT DATES

October 19, 2009 Submission site for contributions opens
March 31, 2010 Submission of full Draft Papers and Invited Sessions
May 15, 2010 Notification of acceptance/rejection of submitted contributions
May 30, 2010 Early registration – mandatory for authors
June 15, 2010 Final Manuscripts Submission
July 30, 2010 Final Program
September 8 to 10, 2010 Controlo 2010 Conference
