UniOn! App helps mobility students become familiar with their new Coimbra environment while getting to know loads of useful info about the uni, the city and the country.

Make the most of your experiences at the UC. Explore Portuguese culture with UniOn! as you learn the language by incident.

Scan the QR code and check out the Beta version!

Available for iOS and Android through the App Store and Google Play Store.
UniOn! – a mobile application created by ILOCALAPP

ILOCALAPP (Incidentally Learning Other Cultures and Languages through an App) facilitates student mobility by means of a smart tool specially designed for mobile devices.
