*** The evaluation and ranking of the applications take into account the analysis of the General Certificate of Secondary Education (GCSE) and of the A-Level General Certificate of Education. Applicants must apply with their best three scores obtained in the A-Level exams, provided that these include the required admission exams detailed in the above table.**

The admission score is the average of the three A-Level scores after their conversion to the Portuguese 0-200 scale as detailed in the table show in page 4.
