Robert Langenbach, PhD

I received my Ph.D. in biochemistry from the University of Nebraska in Lincoln. After receiving my Ph.D., I was fortunate enough to do post doctoral work with Dr. Heidelberger at the McArdle Laboratory for Cancer Research, University of Wisconsin, Madison. Following my post doctoral fellowship, I became an Assistant/Associate Professor at the Eppley Cancer Institute, University of Nebraska Medical Center in Omaha. I subsequently accepted a position at NIEHS in North Carolina, where I have been a senior scientist to the present time.
