

Table 6 – Harmonized Scales using NAEP

PISA Reading			
Countries	NAEP score	Agency score	Calculations
United States	263	495	$495 \times \left(\frac{263}{495}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{263}{495}\right)$
PISA Mathematics			
Countries	NAEP score	Agency score	Calculations
United States	278	483	$483 \times \left(\frac{278}{483}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{278}{483}\right)$
PISA Science			
Countries	NAEP score	Agency score	Calculations
United States	150	502	$502 \times \left(\frac{150}{502}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{150}{502}\right)$
PIRLS Reading			
Countries	NAEP score	Agency score	Calculations
United States	265	556	$556 \times \left(\frac{265}{556}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{265}{556}\right)$
TIMSS Mathematics			
Countries	NAEP score	Agency score	Calculations
United States	278	518	$518 \times \left(\frac{278}{518}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{278}{518}\right)$
TIMSS Science			
Countries	NAEP score	Agency score	Calculations
United States	152	544	$544 \times \left(\frac{152}{544}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{152}{544}\right)$
PIAAC Reading			
Countries	NAEP score	Agency score	Calculations
United States	263	271	$271 \times \left(\frac{263}{271}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{263}{271}\right)$
PIAAC Mathematics			
Countries	NAEP score	Agency score	Calculations
United States	278	265	$265 \times \left(\frac{278}{265}\right)$
Other Countries	-	-	$Agency\ score \times \left(\frac{278}{265}\right)$
