Internet

Internet access within the common areas of the residence, after requesting the password at the Faculty in which you are enrolled.

Internal Functioning

Admission/Exit

You must request the activation of the UC identification card at the Accommodation Office to be able to enter the residence. Upon check-in, you will receive 1 key for the floor entrance door and 1 key for the bedroom. You must fill out the admission form and the Portuguese Immigration and Borders Service form (if you are not a Portuguese citizen). Upon check-out, you must return the keys to the residential assistant and fill out the exit form. The admission and exit forms are signed and dated by both parties.

Exchange of the bed and bathroom linen

The distribution of fresh linen and the exchange of used linen is made weekly on Thursdays from 9:30 a.m. to 1 p.m. and from 2 p.m. to 5 p.m.

Notice: the number of linen items delivered to you is the exact number as those received.

Clothes maintenance

The residence provides washing machines for common use. All residents must register their names and dates on the control map and respect the established schedule, which is until 10 p.m.. The residence has a terrace on the ground floor where the residents can hang their clothes to dry.

Notice: SASUC do not provide detergent.

Kitchen

The cooling appliances and cabinets available on each floor are meant for all residents, who must agree on space assignment in common storage areas. All residents must get their own kitchen tools and utensils, as SASUC will not provide those items.

Cleaning

SASUC guarantee a thorough cleaning of common areas every 2 weeks. The residents must keep all areas clean on a daily basis, including the bedrooms. All residents must comply with the cleaning schedule established by the delegate student.

Distribution of detergent and toilet paper

The residential assistant distributes detergent for the cleaning of the kitchen and bathrooms and 2 toilet paper rolls per resident once a month in each floor.

Bedroom supervision

The residential assistant supervises the bedrooms once a month to ensure cleanliness, organization and upkeep.

Personal belongings safety

There are closets in every bedroom for residents to store their personal belongings. Whenever personal belonging storage is required elsewhere, you must ask SASUC for permission.

Recycling

Cooking oils, paper, glass, plastic
The oil container is on the terrace. The other containers are in the kitchens and the residents are in charge of them.

Mail

Personal mail is received by the residential assistant, who will hand-deliver it, if it's a package or registered mail, or leave it at the entrance of the residence for the residents to pick it up what belongs to them.
