

## EU4HEALTH 2022 WORK PROGRAMME

### INFORMATION SESSION SECOND WAVE OF OPEN CALLS FOR ACTION GRANTS

**Wednesday 19<sup>th</sup> October 2022, 14.00 – 17.00 CEST, Brussels time**

We invite you to join this webinar.

In 2022, the EU4Health programme will continue to invest in building stronger, more resilient health systems and pave the way for the European Health Union. With a budget of over €835 million, the 2022 work programme will provide an unparalleled level of EU investment in health and ensure ambitious and decisive action in four focus areas: crisis preparedness, disease prevention, health systems and healthcare workforce, and digitalisation.

The EU4Health Programme supports building a European Health Union including the fight against COVID-19 pandemic, Europe's Beating Cancer Plan, and the Pharmaceutical Strategy for Europe, and the European Health Emergency Preparedness and Response Authority ('HERA').

The programme will provide funding to eligible entities from Member States, associated third countries, international organisations, NGOs and the private sector in the form of grants or procurement of specific services. NGOs will be able to apply through an open call for operating grants, as well as for action grants on various topics. The European Commission and the Health and Digital Executive Agency (HaDEA) will manage the programme.

**The information session is organised by HaDEA with the participation of DG Santé to present the policy context, objectives and expected impact as well as the procedure for this third wave of calls.**

Register to this Information Session following this [link](#).

Once registered, you will receive the link and the registration ID to join the webinar on Wednesday 19 October.

If you have any questions about the registration process, please contact [sante-hpp@ec.europa.eu](mailto:sante-hpp@ec.europa.eu)

We are looking forward to welcoming you online.
